4-2- DFW DOMINANT ETHNIC/RACIAL GROUPS 2017

The DFW area is a multi-racial and multi-ethnic region. This map visualizes the dominant ethnic/racial group in each census tract. We categorize the DFW population into five groups: Not Hispanic White, Not Hispanic, African American, Not Hispanic, Native American, Not Hispanic, Asian, and Hispanic. The data is attained from U.S. Census American Community Fact Finder for DFW census tracts in 2017.

The overlay of maps 4-2 onto map 4-1 shows the spatial relationship between income distribution and the dominant ethnic group in each census tract.
