

DFW MEDIAN HOUSEHOLD INCOME 2017

4-1- DFW MEDIAN HOUSEHOLD INCOME 2017

This pair of maps can be named a Justice map that visualizes race and income data for the DFW area. Income distribution map describes a household's economic status to track economic trends in the area. It is showing census tracts' median income in 2017 inflation-adjusted dollars. The median income is the amount that divides the income distribution into two equal groups, half having income above that amount, and half having income below that amount and is obtained from the U.S. census website for each census tracts. Pale colors show lower-income, and darker greens show higher income levels.
